

Nothern High School Details

Transcript & Schedule: Before you begin, you will need an unofficial copy of your transcript. This was provided to you during classroom presentation. If you need an additional copy, please email your assigned counselor.

Deadlines: Be aware of your deadlines and admissions tab. Submit your portion of Common Application as soon as completed. Recommenders can still submit their documents up until the deadline.

- **Early Action:** Application submitted early, and non-binding admission status received early. Many colleges/universities including the University of Maryland require this application type to be considered for scholarships.
- **Early Decision:** This is a binding agreement. After admission, it requires you to drop all other applications and legally commit to them. If you research ED and think it's right for you, please email your assigned counselor.
- **Rolling Admission:** Applications are being accepted and decisions are being made as the college/university receives the application. It is recommended to submit your application as soon as possible.
- **Regular Decision:** To be considered, the application and all associated documents must be received by the deadline.
