<p style="text-align: center;">Course offerings are subject to change based on MSDE approval and student requests in May.</p>		

Eligibility

- Ninth graders are eligible to take an online course during the spring of their freshman year.
- Upperclassmen will be given registration priority for course enrollments.

Registration & Fees

- Students **MUST** complete the Online Learning Interest Survey prior to registering.

Access the Online Learning Interest Survey and Online Orientation at
<https://www.calvertnet.k12.md.us/instruction-programs/digital-learning/ccps-online>

- Students scheduled for more than 7 credits within a given school year will be charged a fee of \$325 for a one-credit course and \$225 for a half-credit course (this includes a non-refundable \$25 registration fee for each course).

Time & Commitment

- Online courses are rigorous and academically challenging.
- A substantial commitment is required by the student.
- Students should make and keep a schedule that commits to at least 6 hours each week to complete coursework.
- Students can schedule no more than one online course outside of the regular school day.

Attendance

- **Health I and II and Financial Literacy require face-to-face meetings.** Meetings may be held after school, evenings, weekends, or held virtually depending on course content.

Course	Required to Attend
Health I and II	First orientation meeting and at least 4 additional meetings
Financial Literacy	First orientation meeting and at least 2 additional meeting

Communication

- The vast majority of communication with students and parents is conducted using email.
- Parents are required to provide a current working email.
- Student accounts will use their school-issued Office 365 email.
