

STUDENTS IN TRAINING

Maryland is at the forefront of keeping the United States and the global community safe and thriving. Our workforce has expertise in combating bioterrorism, developing innovative weapons and defense gear, aiding the nation's healthcare system, safeguarding food and medicine, advancing aerospace and tracking the ever-changing patterns of climate change, among many others. Thousands of Americans consider serving in the military and so can you. If prepared before joining, the military can offer you a rewarding growth experience.

THINGS TO KNOW

- You must be a U.S. citizen to join or be a lawful permanent resident with a valid green card.
- You may enlist at 17 with parent consent or 18 or older without.
- Have a High School diploma or GED.
- The military can help you not only establish a career but further your education. The military offers many educational benefits from financial aid and college funds to loan repayment programs.
- Military offers travel - deployment is a BIG factor in this type of career. Various branches send people to different areas from Germany to Japan.

ENLISTING STEPS

Step 1: Take the Armed Services Vocational Aptitude Battery (ASVAB) to determine your qualifications.

Step 2: Pass the Physical Examination.

Step 3: Meet with a counselor and determine a career.

Step 4: Take the Oath of Enlistment.

Step 5: Receive orders for basic training and start on your path towards your new chapter in life.
